

Happy New Year!

- 📌 **Governor's Conference - February 10, 2009** - Just a reminder that the Governor's Conference will be held in South Portland at the Marriott Sable Oaks. The agenda and registration information is available online at www.mainetourismconference.com.

Please Note: Our friends and colleagues at Roosevelt Campobello International Park have generously offered their van to take participants from the DART region to the Governor's Conference on Feb. 10. For more details or to sign up to ride in the van, please contact Ron Beckwith at beckwith@fdr.net or (506) 752-2922. Space is limited and will be offered on a first come, first served basis. **Thanks very much to RCIP for their support!**

- 📌 **Website Updates** - Please don't forget to keep getting the word out to your members and colleagues to enter their business listings, events and packages on the DART Website. Also, please take a moment and look at listings in your area to see if anyone is missing or if there are any errors. We are entering the busy season and want everyone who goes to our site to have access to all the good things our region has to offer. Call or email the office anytime for assistance at 546-3600 or info@downeastacadia.com.

DART will be doing the following website trainings should you wish to attend:

January 13, 2:00 pm at Cobscook Community Learning Center in Trescott (snow date 1/14).

January 23, 10:00 am at the AlamoTheater in Bucksport

- 📌 **Opportunity from Yankee Magazine** - You may post all of your events on YankeeMagazine.com for free. Yankee's editors use the online database to determine which events will be listed in our magazine, but to be considered, information must be posted six months in advance of the issue to accommodate our printing schedule. The editors reserve the right to edit and to post submitted events at their discretion. Just go to the featured Weekly Event on YankeeMagazine.com, which is located in the middle of the page. Click on submit an event and fill out the form. You must be a registered user to submit an event, but that process is simple to complete online.

📌 **Upcoming Dates and Deadlines:**
